

## White Bean Salad with Peas and Mint

Serves 4 (as a side)

### Ingredients:

- 15 oz can of white beans, drained and rinsed
- 1 cup peas (fresh or frozen)
- ½ cup chopped fresh mint
- 1 scallion, thinly sliced
- 1 teaspoon ground coriander
- Zest and juice from half a lemon
- ½ cup crumbled feta
- Olive oil
- Salt and pepper

### Instructions:

1. Combine everything in a bowl. Add just enough olive oil to coat and season with salt and pepper, lots of pepper, to taste. If you are making this ahead of time combine everything except the mint (as fresh mint tends to wilt and turn black once cut)
2. Serve with bread for a light lunch or alongside chicken as a main course.
